FOR THE MUSLIM WORLD

TURKEY...

With history dating over thousands of years, Turkey boasts of being the Cradle of Civilization. Here, between the Tigris and Euphrates rivers, the very first humans walked and talked with God. The Mountains of Ararat were backdrop to God's rainbow of promise as Noah and his family settled in the surrounding plains.

Abraham, father of nations, journeyed from his birthplace to Haran (in Turkey), where he dwelt many years before God led him to Canaan. After Israel, Turkey has more biblical sites than any other country in the Middle East. Two-thirds of the New Testament was written either to or from churches in Turkey.

This is the land where Paul's missionary travels took place, believers were first called Christians, and John's seven churches of the Book of Revelation are located.

As one of the world's best-kept secrets for unspoiled Greek and Roman ruins, Turkey is an archeologist's paradise. Rivaling Israel for ancient biblical sites, it is increasingly becoming a favorite destination for Christian pilgrims.

WORLDCHRISTIAN.COM PRESENTS PILGRIMAGE & CULTURE TOURS TO TURKEY

RAMADAN TOUR July 19-31, 2012

Pray on-site with insight, and with fellow Christians, during the last part of the month of Ramadan.

EASTER TOUR March 28 - April 09, 2013

Together we will enjoy an exhilarating Easter sunrise service overlooking the beautiful Cappadocia Valley.

WorldChristian.com staff and friends would be delighted to have you along! We are offering you an opportunity to travel with like-minded believers in a part of the world largely untouched by the gospel of Christ.

This will primarily be an opportunity to visit and learn about the Early Church and the context in which Christianity existed and spread. You will also see and hear about other historic as well as contemporary settings that will help you to understand more about the dynamic of a modern majority-Islamic population.

While this Tour is not intended for evangelistic outreach, nor as an occasion to hand out gospel tracts or to plan for a time of extended fasting, it will provide a time for reflection and prayer in a country near to the heart of God.

Each day's tour activities will conclude by resting in a comfortable hotel, and having dinner together. Afterwards you will be free to disburse, catch up on email, spend the evening in your own preferred ways or get together over dessert, tea or a glass of wine.

WHY TURKEY?

Once a bastion of Christianity, Turkey is now considered an unreached nation. The bitter conflicts between Turkey's Muslim rulers during the second millennium AD with "Christian Europe," have resulted in almost insurmountable barriers toward becoming Christian. To be Turkish is synonymous with being Muslim. While Turkey is a secular parliamentary democracy (and member of NATO), her population is almost entirely Islamic. Few of Turkey's 75 million inhabitants have ever truly heard the gospel.

Christian communities continued to exist in significant numbers in the beginning of the 20th century. Massacres, persecution and emigration have since reduced their numbers to 0.21%. The number of Turkish and Kurdish evangelical believers is estimated today at merely 4,000.

It is a vibrant country, where both modern and ancient live side-by-side. It is also a country with significant and growing strategic influence within the wider Islamic world—worthy of our interest and prayers!

OTHER THINGS YOU WILL ENJOY

Turkish hospitality is famous the world over. The culture is warm and friendly, and locals are adept at making guests feel welcome. Turkish cuisine is tasty, hearty and fresh—a fusion of Middle Eastern, Mediterranean, and Balkan. Lamb, rice, roasted vegetables and delicious flat breads are just some of the healthful fare offered in Turkey.

Turkish music has its own distinctive style and sounds. Expect to return home with the unforgettable rhythms of lute and cymbal echoing in your soul. Shopping is an experience all its own. From shops in small villages, to the Grand Bazaar of Istanbul, you will discover merchants eager to offer a cup of tea or coffee while you browse. Famous for carpets, ceramics, textiles, etc., you are certain to find something special to bring home.
